

Post Graduate Alumni Survey

Dear Post Grad Alumni,

We would like to ask if you would take a few minutes to fill out the following alumni survey and let us know what you are doing now that you have graduated.

We are always interested to hear how our alumni are doing and one of the most popular questions we receive from perspective students is about the percentage of students who are employed in the field after graduation. We are also required by the Department of Elementary & Secondary Education and the Massachusetts One-Stop Career Centers (which a number of our former students received funding from to attend) to track program graduates for up to two years after completion of the program.

Any and all information that you are willing to share with us is greatly appreciated.

Please return the survey as soon as possible by email (mti@minuteman.org) or mail to Minuteman Technical Institute, 758 Marrett Rd, Lexington, MA 02421.

Keep in mind that we are always happy to involve our alumni however we can. Are you doing something interesting that you would like to share with current students? Do you have opportunities for co-op students at your place of employment? Would you like to get involved with your program's advisory committee? We want to hear from you!

If you have any questions, please contact us at 781.861.7151 or mti@minuteman.org.

Thank you,
Minuteman Technical Institute
